

the **ACADEMIC LADDER**

Get help with the climb.

Give the gift that says "I Believe in You!"

Support the academic endeavors of someone special to you -- give them the gift of membership in The Academic Writing Club.

They'll get the help and support they need to complete those challenging writing projects -- and you'll get the gift of helping them succeed!

"... the season of angst and applications in which I was embroiled during the November '08 through March '09 sessions of Academic Ladder has ended most happily -- with a new position at another university. I'm very pleased about the final outcome, and feel that I have Academic Ladder to thank for help with the application writing and journal article completion that made the new position possible."

D., Assistant Professor of History

You can give 1, 4, or 12 sessions, each consisting of 4 weeks of membership in our the Academic Writing Club.
